## From the Pastor

Brothers and Sisters in Christ:

We are about to begin the season of Advent. In fact by the time you are reading this we may already be in the season of Advent. Advent is a season of preparing and waiting that leads up to the Christmas season.

It is becoming more and more difficult to fully appreciate the season of Advent because Christmas decorations can be found in the stores shortly after (or sometimes even before) Halloween. Christmas music is played on the radio and online often before the Thanksgiving holiday is over.

Now, I love holiday music as much as anyone. I believe Christmas music is some of the most beautiful music ever written and, if the truth be known, I sometimes listen to it throughout the year. I also love to look at the beautiful Christmas lights. There is just something magical about the colorful lights gleaming and lighting up a scene that would be dark without them.

I don't want to sound like a scrooge and say that there needs to be a certain date when one is "officially able" to put up Christmas lights or listen to Christmas music. But, I think this is symptomatic of a larger problem in our society.

That problem that I am referring to is the desire to not wait or to put it another way the desire for instant gratification. Sometimes we get upset when we text someone and we don't hear a response within 5 to 10 minutes. I remember when I was a child and there was no texting, there were no cell phones, and there was no leaving a voicemail. You would sometimes have to wait over a day for a response. People in my parent's generation used to buy a starter home and then as they got older and their family got bigger they would purchase a bigger home. People used to purchase a modest car when they were younger and then as they got older would perhaps move up in their purchase. Today people seem to want the best car and the biggest house immediately instead of waiting.

It is very difficult sometimes to wait but waiting can increase character. So, this Advent season (it is not yet Christmas) go ahead and listen to any music you want and decorate all you want but don't forget to take time to wait, to prepare your hearts for the wonderful thing that is about to happen.

Serving Christ with you,

*Pastor Bruce*

## Youth Christmas Program

Youth Christmas Worship Service  
On Sunday, December 21, our youth will take the lead in delivering the message for the service. The younger children will delight us with a couple of songs and recite a few simple lines, with guidance from our coordinator, Kari Caulum. Following their presentation, the older youth will perform a short play entitled “Sleepover at the Stable.” As there will be no designated practice time, we kindly ask all families with participating children to arrive on Sunday, December 21, at 8:30 AM. This will allow us to run through the program together, ensuring we all understand the flow and practice how the microphone will be passed between speakers.

**Gift Cards Available**

Did you know that Christian Faith sells gift cards? They make great gifts for those hard to buy for people and they also are super stocking stuffers. There are 100’s of retailers and restaurants to choose from like Kohl’s, Kwik Trip, Red Lobster, Olive Garden, Bath & Body and much more! Christian Faith receives a percentage from each gift card that is sold. Order forms can be found in the narthex.

Please contact Laurie Vanderbloemen for info on how and when to order your gift cards to make sure they get here in time for Christmas.

## Candle Servers Needed

If you would like to serve as a candle server for our Christmas Eve Service on Wednesday, December 24, at 5:00 PM, please check the sign-up sheet located in the narthex.

## Interim Pastor Transition

Thank you 

As you are all aware, we have been incredibly fortunate to have Rev. Bruce Nelson serving as our Interim Pastor for the past nine months. His dedication to our church has truly been a blessing, and as we continue our search for a full-time pastor, we want to express our heartfelt gratitude for the profound impact he has had on our church family. We trust that God will continue to work through him for the glory of His Kingdom, and we are thankful that He allowed us to share in this journey together.

We are pleased to announce that our next Interim Pastor will be Rev. David McDonald, who will serve from January 1, 2026, until Easter Sunday, April 6, 2026. Rev. David resides in DeForest and has been a member of our community for 23 years. He is an ordained pastor in the United Church of Christ (UCC) and has previously served Windsor UCC for 18 years, along with several other congregations.

Thank  
you!

## Moravian Watchwords

Every year on the first Sunday of the New Year, we invite you to draw a Watchword to guide you for the coming year. The watchword is either a promise, an encouragement, an admonition or word of comfort from scriptures. The watchwords are pulled from the Moravian Daily Text. There is a scripture as well as a MBW hymn stanza. The stanza is our human response to God's word in the Bible.

The Moravian tradition of drawing a watchword began in Herrnhut, Saxony. In 1722, the refugees from Bohemia and Moravia began arriving at the estate of Count Nicholas Zinzendorf, where the Count gave them land to establish the settlement of Herrnhut. They would come together for morning and evening devotions. Count Zinzendorf gave the congregation a Losungen (German for watchword), a daily message from God to accompany them through the entire next day. In 1731, the oral tradition of watchwords were printed into what is now known as the Moravian Daily Text.
