Re: Matching Gift Challenge for Lawn Tractor

Dear Church Family,

We are so grateful for the love and care you show for our church and for one another. Our church and cemetery grounds are an important part of our ministry - they are often the first thing people see when they arrive, and they reflect the care and hospitality we strive to offer everyone who walks through our doors.

Currently, we need a new **lawn tractor** to properly maintain our property. Our current equipment is no longer reliable and replacing it will allow us to care for our grounds more efficiently and safely, while also reducing long-term maintenance costs.

We are excited to share that a generous **anonymous donor has offered a matching gift challenge!** Every dollar given to this project will be **matched dollar-for-dollar, up to \$4,000.00**. This means your gift - no matter the size - will have twice the impact.

When we meet the full match, we will raise over **\$8,000.00** toward this much-needed equipment. This is a wonderful opportunity for us to work together as a church family and make the most of this generous offer.

If you feel ready to give, please know that your support is deeply appreciated and will directly benefit our church community for years to come. Please note "Lawn Tractor" in the Memo line of your check or online donation.

Most of all, thank you for your continued prayers, generosity, and faithfulness.

With gratitude and blessings,
